"Let's explore three principles to increase your value production. This communication technology was developed by master communicators and used by successful global leaders," says Sylvia. "It has been taught and used in many Fortune 100 companies." In this talk, learn the critical listening skills to have your ideas understood, to create great collaborations, to quickly resolve problems, and to get results.

Sylvia Kahalia Dolena worked for Hewlett-Packard (HP) for 18 years, with 8 of those years as the Global Programs and Operations Manager. She has worked as an external business consultant with HP and other high-tech and retail companies like AMD and Best Buy. Currently, Sylvia delivers workshops and leadership development programs such as Dynamic Leadership Lab, Leading Business Systems, and Winning Edge for Women in Hawai'i and nationally.
