Why do you want to take mediation training?

What interest, experience, and/or skills do you have in conflict resolution?

What types of conflicts are you most interested in learning how to handle?

Are you interested in becoming a volunteer mediator if you are selected for our apprenticeship program? If so, why? If not, why not?

Do you have professional or academic background in divorce, custody, foreclosure, landlord/tenant, and/or other legal actions? If so, please describe.

I understand that this application is for one 24-hour basic mediator training and that selection of apprentices will be based on a careful screening process and is not guaranteed. While we hope trainees will be interested in being considered for our apprenticeship program, you are welcome to take this training even if you do not plan to become a volunteer mediator.
