State of Hawai'i

LANDLORD TENANT EVICTION MEDIATION PROGRAM

can help you negotiate:

- payment plans for back rent,
- plans for rent going forward,
- applying for rental assistance together,
(rental assistance payments go directly to landlords)
- move out options, *and/or*
- other agreements that support the needs of both landlord and tenant.

Mediation is safe, private, and you make your own decisions.
Mediators are impartial and help you negotiate.
It is **FREE** to participate.

The state eviction moratorium ends on August 6, 2021.

Landlords may send a 15-day notice to tenants starting:

on August 7, 2021	if tenants are 4 months behind in their rent
on September 6, 2021	if tenants are 3 months behind in their rent
on November 6, 2021	if tenants are 2 months behind in their rent
on January 6, 2022	if tenants are 1 month behind in their rent

The new law (Act 57) states that tenants must be offered the opportunity for mediation when they are served with an eviction notice for non-payment of rent.

Mediation must be scheduled within 15 calendar days of the notice.

(The mediation does not have to occur within the 15-day scheduling period.)
