

P.A.R.E.N.T.S. Inc.

OFFERING SUPERVISED VISITS TO HAWAII ISLANDS SINCE 1999

SUPERVISED FAMILY VISITATION

PARENTS, Inc. established supervised family visits in 1999, and has been serving Hawaii's families for 45 years. Our staff provides a warm and safe environment for parents to interact with their children.

"Our mission is to strengthen families by providing resources, skills, support and advocacy to create cycles of positive parenting!"

SERVICES INCLUDE

1. Program supervised by Master level staff
2. Visits in office, community or in home
3. Written reports/assessments available
4. Skill-building component offered
5. Transportation

WHAT DOES A SUPERVISED VISIT ENTAIL?

PARENTS, Inc. has fully stocked visitation rooms with toys and games for children all ages. Staff supervise visits with the utmost importance for the safety of your family. Staff are trained and supported to intervene during the visits if necessary.

Our staff works with families to implement practices that align with our positive parenting curriculum. If your family is in need of a neutral third party organization to assist with visits, give us a call today. We look forward to providing a comfortable atmosphere to connect with your children.
